**REPORT:**

The workshop was opened by the Vice president of Institution's Innovation Centre Dr.P.Ravichandran, who was welcomed the gathering. Presidential Address was delivered by our beloved Principal Dr.P.Balagurusamy. The entire workshop could be divided into 2 session. Session 1 was a theory session conducted from 10.30 to 12 a.m. Mrs.J.J.Sangeetha Lakshmi introduced the basics of Application Development using MIT App Inventor tool. It is an online platform designed to teach computational thinking concepts through development of mobile application. She explained about User Components, Layout Components, Media Components, Map Component and sensor Component. Session 2 was a practical session conducted from 12.15 to 2 p.m. She taught the participants how to use and manipulate the properties of the widgets such as Textbox, Label box, Image view and Map. At the end of the workshop, we asked the participants to send their apps. Finally the vote of thanks was given by Mrs.P.Chandrakala. The workshop concluded at 2.30 p.m. About 80 students and 6 faculty members from the IT department attended this workshop.

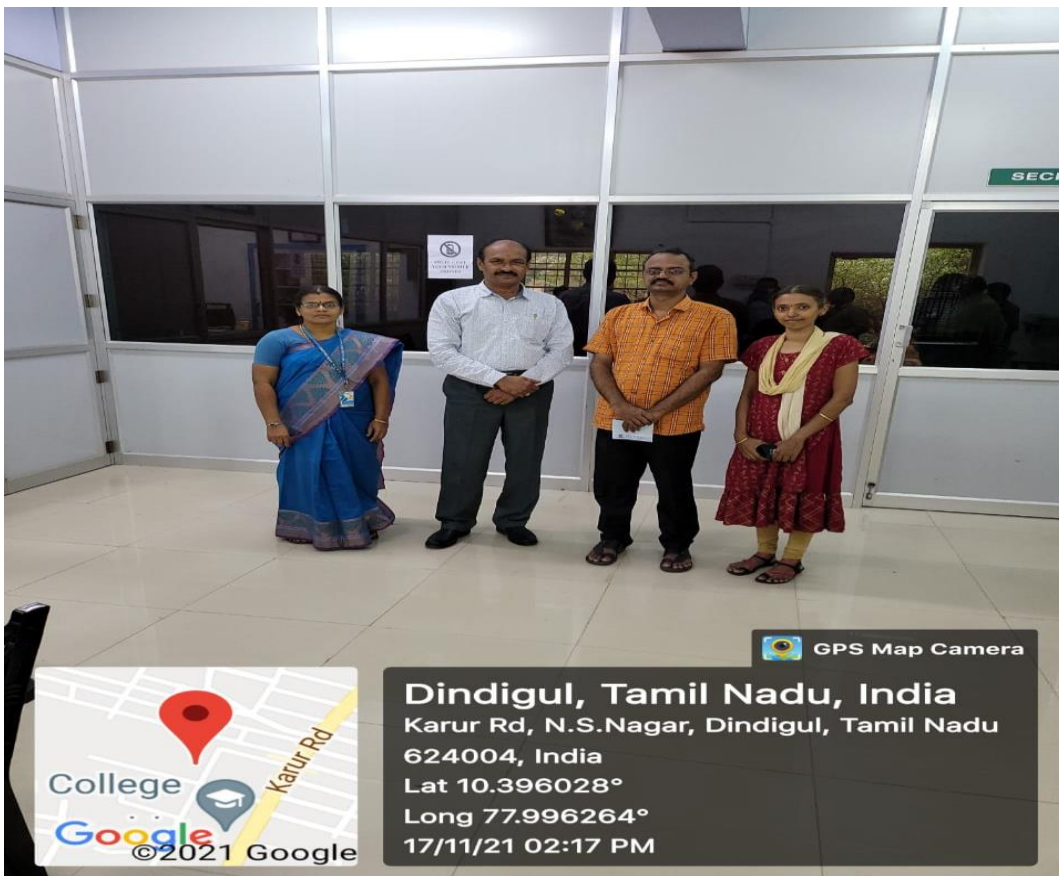

Welcome Address by Dr.P.Ravichandran
